

## PORT OF BUNDABERG 2009 LAND USE PLAN

### LANDHOLDING AMENDMENTS

	REAL PROPERTY DESCRIPTION	AMENDED DESCRIPTION	QUEENSLAND GOVERNMENT GAZETTE	REASON
1.	Part of Lot 210 on SP187211 containing an area of 491m <sup>2</sup> - Freehold	Lot 210 on SP217954 containing 159.6297 ha	No. 17 17 September 2010 Page 157	<p>In pursuance of the provisions of the <i>Transport Infrastructure Act 1994</i>, the approval of the Honourable the Minister for Transport was given to the Gladstone Ports Corporation Limited to amend its Port of Bundaberg Land Use Plan by removing the described lot from the schedule of its strategic port land. The area of 491m<sup>2</sup> was required for road realignment for access to the Wallace Creek Bridge and has been divested to Bundaberg Regional Council as road reserve.</p> <p>Due to divestment of 491m<sup>2</sup> from Lot 210 on SP187211, new survey plan was registered on 28 January 2011.</p>
