Funding Application Guidelines Flyer

PURPOSE

The Port Curtis Coral Coast People (PCCC) and Gladstone Ports Corporation (GPC) are parties to an Indigenous Land Use Agreement (ILUA) and Ancillary Agreement, which provides consents for grants of tenure and approvals for port development, in return for benefit payments. The benefits are distributed through three funding “buckets”.

This voluntary partnership has been established to ensure the responsible and respectful management of the lands and sea on which we do business to deliver sustainable and mutual prosperity. The following information provides guidance for applicants to the fund.

Applications for funding will be considered for both the *Other Program Payments* and *GPC Program Payments* (with conditions).

The ILUA Committee is not involved in relation to the payment area of *Direct Payments to PCCC Trust*. For further information refer to www.pccctrust.com.au
